

Medication Access Tiered Drug Card

Medication Access is designed to help you save on your prescription drug costs by giving you discounts on prescriptions at more than 58,000 pharmacies nationwide. Generally, you will pay no more than \$10, \$25, or \$50 for most generics and preferred brand drugs.* A fourth tier offers substantial discounts on additional brand-name medication

Medication Access is not Insurance or the new Medicare Part D Prescription Drug Plan

Medication Access includes a comprehensive formulary, or list of covered drugs, that includes four tiers:

Be sure to use the Pharmacy Locator and Medication Pricing tools at <http://cashcard.lc.healthtrans.com> to find the pharmacies closest to you, as well as those that offer the lowest prices for your medications.

No cost to sign up

No limit on number of prescriptions

No obligations

Can be used by your family and friends

To use your Tiered Drug Card below:

- Print this page.
- Print your name & member ID on the card below, using the fields provided.
- Clip out the card.
- Present the card, along with your prescription, at a participating pharmacy.
